

Vicuña

Located in the Elqui province, it is the largest commune in Coquimbo region with a Surface of 7.694 km. It limits to the west with La Serena, La Higuera, and Andacollo communes. To the south, with Paihuano and Rio Hurtado, and to the east with Argentina through Agua Negra International Pass.

The rural localities are part of the cultural and natural patrimony of the territory, all of them provide several attractions related to sports, astronomical and heritage tourism.

Vicuña offers many tourist attractions that surprise all visitors. They can be mainly found in the historical center around Gabriela Mistral Square.

Connectivity

The main Access to Vicuña is through route 41-CH that links with La Serena city. It also connects with the province of San Juan, Argentina through Agua Negra International Pass. Another important connection is the patrimonial route Antakari, which links Vicuña to Rio Hurtado and Andacollo communes.

The 'Rodoviario' bus station is located downtown in Vicuña. It offers a fleet of buses with daily departures to Santiago, La Serena, Coquimbo and Paihuano. Taxis are also found in there.
